

ANOTHER OLD CITIZEN PASSES AWAY.

Isaiah Warren Succumbs to a Stroke of Paralysis After a Two Weeks' Struggle.

ONE OF THE FIRST REFINERS

Of Carbon Oil in the Country—An Earnest Worker for Best Interests of the Community.

Another of Wheeling's old and prominent citizens has passed away in the person of Isaiah Warren, who for years has been prominent in the community, though for some time retired from active business pursuits. The sad event occurred last evening at 5:30 o'clock and was not unexpected by the family and intimate friends. On Saturday, June 2, Mr. Warren was stricken by paralysis, and had since been unconscious, and death was momentarily expected. The family will be the recipients of condolences from the entire community. The funeral takes place to-morrow afternoon from the Warren home, at 37 Fifteenth street.

The following sketch of the deceased is from "The History of the Upper Ohio Valley": Isaiah Warren, a notable manufacturer of Wheeling, is a son of Matthew Warren, who occupied a creditable place during forty years in the mercantile and manufacturing life of Wheeling. The latter was born in the north of Ireland, a member of one of the oldest Scotch-Irish families in that region. In the early part of 1831 he immigrated, and after a few months' stay in Baltimore, came to Wheeling September 11. He brought with him his wife, Ann, daughter of William Doran, a native of Ireland. From 1831 to 1844 Matthew Warren was engaged in the boot and shoe business on the corner of Tenth and Main streets, but at the latter date he embarked in the manufacture of lard oil, the firm being Warren & List. In 1852, having formed the firm of Warren, Dunlap & Co., they erected the main part of the building now occupied by the Central glass works, and there engaged in pork packing and the provision trade, and continued to manufacture lard oil. In 1862 the firm of Warren & Son began the manufacture of carbon oil, then known as "coal oil." The refinery erected here was among the first in the country, carbon oil selling at that time for \$1 per gallon. At once the new illuminant took the place it has so well held ever since its advent. Mr. Matthew Warren retired from business in 1871. He and his wife were members of the Fourth Street Methodist Episcopal church, of which he was a trustee and a class leader. With other leading citizens at that period he was a member of the Wheeling volunteer fire department. He was also a country magistrate, appointed in 1853, under the old regime. He died September 5, 1875. His wife predeceased him, having died in 1873. Two sons and one daughter were born to them: Isaiah, Archibald, of Memphis, Tenn., and Mrs. William Vannett, of Winfield, Kas. Isaiah Warren was reared in Wheeling and attended a private school taught by Rev. William McKay, a Methodist minister, and he was also for several years with A. W. Heuter, of Wheeling, and at Brooke's Academy, at St. Clairsville. In 1851 he visited Europe and remained a year. Upon his return to Wheeling he purchased the interest of Thomas H. List in the firm of Warren & List, and the firm then became Warren & Son. In this business he continued with his father, and in his subsequent enterprises, until the retirement of the latter in 1871, when William Berger was admitted into the business, under the style of Warren & Berger. The latter retired upon his death in 1873. Mr. Warren did an extensive business, manufacturing and dealing in carbon and lubricating oils. In 1882 he added the manufacture of sulphate of ammonia, and he also rendered aid in talow. Mr. Warren was an earnest worker for the best interests of the community in municipal affairs, and was once a member of council from the Third ward. He was a prominent member of the Fourth Street Methodist Episcopal church, which he joined in 1833, and of which he was once the secretary of the board of trustees. He was married May 1, 1855, to Virginia, daughter of Dr. Charles McLane, a graduate of the University of Pennsylvania, and the well-known inventor of a proprietary medicine which bears his name and has a world-wide fame. To this union seven children were born, of whom three survive—Nellie T., wife of C. C. Holloway; Allen I. Warren, of Lawrence, Mass., and Dr. Eugene L. Warren, of this city.

Philip Young Dead.

One of West Liberty's best known and most esteemed citizens passed away yesterday morning in the person of Philip Young, who answered the summons of the grim reaper after a lingering illness. Mr. Young, who was aged 71 years and 2 months, had lived nearly all of his life in West Liberty, and he was respected by a large circle. He was a faithful member of the Presbyterian church, and for a number of years was a leader in the church choir, he possessing a good voice. Surviving him are a widow and one daughter, Miss Laura Young. His wife was Margaret Ferrell, a sister of Joseph Ferrell, of Wheeling, and had Mr. Young lived until March 4 they would have celebrated their golden wedding. Funeral services will be held from his late home, at West Liberty, Saturday afternoon at 1:30 o'clock, with interment at the West Liberty cemetery.

VAUDEVILLE TO-NIGHT.

Excellent Attraction at Wheeling Park Casino.

The vaudeville company will hold forth again to-night at the Wheeling Park Casino, and the splendid performance will be repeated. Six acts, which include Falardo, the instrument, al man, Saxon and Brooks, in operatic comedy, John and Bertha Gleason in

a dancing specialty, Patrice, in a clever one-act play, Miss Burnham, in songs, and De Biera, in sleight-of-hand tricks, will be presented. The bill is one to suit all tastes, and none should miss the evening of enjoyment offered at popular prices. To-morrow afternoon a matinee will be given, and the engagement will close to-morrow night.

POLITICS

All arrangements for the trip of the West Virginia delegation to Philadelphia to attend the Republican national nominating convention, which opens on Tuesday, are complete. The train, via the Baltimore and Ohio, leaves to-morrow afternoon at 4:45 o'clock, and reaches the City of Brotherly Love the following morning about 10. Already one sleeper is nearly all under reservation, and another will be had if the party's size is increased in the proportions anticipated. Colonel Morris Horkheimer, one of the first district's delegates, has secured 300 very handsome and artistic badges bearing the coat of arms of the state of West Virginia, which will be distributed among West Virginians attending the convention. Through the efforts of Senator Scott, the assurance can be given that all persons from Wheeling and the state who go to Philadelphia and desire to attend the convention's sessions, will be taken care of.

Says the Huntington Advertiser: J. K. Hall, of Wheeling, one of the Republican candidates for state auditor, came down from Point Pleasant last night, and left this afternoon for Charleston. Mr. Hall, it is believed, will receive the nomination for auditor on the first ballot. He is one of the leading Republicans of Ohio county, and is a recognized hustler in politics.

The Huntington Herald says: Hon. J. K. Hall, of Wheeling, was in the city to-day. He is greatly encouraged over his prospects for the nomination for state auditor. In fact, he feels as though it was a foregone conclusion. He attended the Point Pleasant convention yesterday, and came down to the city last night.

Colonel Dominick Morris will be in the party that will leave Wheeling Saturday afternoon for the Republican national convention at Philadelphia, and he will carry with him two neatly engraved documents—his appointments as assistant sergeant-at-arms and door-keeper, honors which were conferred on him by G. N. Wiswell, the sergeant-at-arms, and "Dom" is proud of the fact that these were given him as far back as May 31, which ante-dates many other similar appointments. With an irresistible force Dominick has quelled mighty tumults in the Grand Opera House gallery, and the "gods" will swear to it that no disorder will reign in Dominick's vicinity at Philadelphia. There is a whisper afloat that Mr. Wiswell sought out Dominick at the suggestion of President McKinley.

Three Men Killed by Dynamite.

RIWABIK, Minn., July 14.—Five men were instantly killed to-day by an explosion of dynamite at the Hale mine, three miles from here. A charge of dynamite had been set and the fuse lit in one of the drifts. When the usual alarm was given to enable the laborers to reach places of safety, the five men rushed directly into the drift where the charge was planted, and met their deaths.

Grave fears exist for the safety of the schooner Americana, which, with a cargo of nitre, is out from Caleta Buena, for the San Francisco port. 105 days, for the vessel is low overdue, fifty days being more than an average voyage from the nitre ports to San Francisco. Ten per cent reinsurance has been offered.

Beyond expressing his gratification with the receptions accorded him everywhere on his recent trip, Admiral Dewey, who returned to Washington last night, declined to-day, to make any statement. He will remain at his country residence, Beauvoir, with Mrs. Dewey, until June 25, when he will go to Newport.

In order to preclude the possibility of a contest over his will after he is dead, John G. Taylor, of West Chester, Pa., is now engaged in expending a fortune of \$100,000 in monuments. Mr. Taylor's avowed purpose is to use all his money in improving Lafayette cemetery, on the heights of Brandywine battlefield, a short distance from the spot where General Lafayette fell, wounded in battle.

WHEELING'S TRIBUTE TO MR. HUGHES.

The Coming Operatic Star Heard at Wheeling Park by Nearly One Thousand People.

THE STAR'S FINE SINGING

Was Received With Enthusiasm. Mrs. Flora Williams Was in Excellent Voice.

The rousing ovation tendered Mr. Henry W. Hughes, in his song recital, at the Wheeling Park Casino, last night, was a signal and complimentary victory and merited testimonial to his worth and talent. The audience was a large, representative and cultured one, and the performers can claim the recognition as a tribute to artistic ability. The associates on the programme with Mr. Hughes, were splendidly cast. Mr. William Falk, who came to the city with Mr. Hughes as his accompanist, supported the voice admirably, and his solo piano work was a delightful interpretation of the composers chosen. The signs of approval, necessitated a fourth selection.

Of the Wheeling personnel, the mention of the names, Mrs. Flora Williams, soprano; Prof. Edward Blumenberg, violinist, and Prof. Herman M. Schockey, pianist, implies Musical Wheeling heard to its best advantage. Mrs. Williams, always pleasing to an audience, surpassed all former impressions with her exceptional work on this programme, both in scheduled and encore selections. Professor Blumenberg was heard as a thorough master of the viola and violin, the splendid manipulation of both instruments proving his place in the artist rank. Appreciative applause greeted each member. Prof. Schockey, Wheeling's foremost musician, did the supporting piano work to both Mrs. Williams and Prof. Blumenberg, compatible with his acknowledged reputation, and worthy the soloists.

Enthusiastically as all were received, the reception to Mr. Hughes when he appeared on the stage, and also at his exit, was one that has never before been accorded an "at-home" singer, and it bespoke volumes of congratulations on the triumphant ending of his studio career and good wishes for success in his worthy chosen profession. His magnificent voice was heard to good advantage in the selection from the "Barber of Seville," and in each of the numbers programmed, its control and his versatility were remarkably demonstrated. There is no doubt of Mr. Hughes' reaching the topmost rung in the ladder of fame, and no one who knows him but voices with Musical Wheeling the sincerest trust in his continued endeavor to higher things. The keeping up-to-date with grand opera singers, with whom Mr. Hughes is signed, will from now on be a self-imposed task in Musical Wheeling, since with justifiable pride she feels herself splendidly represented there.

The annual outing of the German Pioneers' Society occurred yesterday afternoon at Wheeling park. About forty members attended and they spent an enjoyable afternoon listening to addresses by Dr. C. F. Ulrich, president of the society, and others, and delightful music was furnished by the Opera House band. The membership of this society has been thinned considerably by death in the last few years.

Mrs. Joseph Speidel magnificently entertained at her beautiful home on Chapline street, yesterday afternoon, from 3 to 6 o'clock. Every room was beautifully decorated with foliage and flowers, the color schemes being pink and white in parlor; green and white in library and hall, and pink in the dining room, the electric lights throughout being shaded in corresponding colors. The billiard and dancing rooms on the third floor were thrown open, and Meister's orchestra, stationed in analoque on the lower floor, playing especially well, added to the pleasure of the rounds of the elegant home, recently remodeled. Mrs. Speidel was assisted in dispensing her delightful hospitality by Mrs. George K. Wheat and Mrs. James B. Taney, while her daughter, Mrs. Edward B. Franzheim, charmingly did the dining room honors, assisted by a bevy of young girls.

A pretty home wedding was solemnized last evening at 8:30 o'clock at the residence of Mr. and Mrs. H. A. Hawkins, on North Huron street, Island, their daughter, Sue Alberta, and Mr. I. Haskett Freese, the popular engineer at the county building, being the principals. Only the relatives and intimate friends were present, and there were no attendants. The officiating minister was Rev. Jacob Brittingham, rector of St. Luke's P. E. church, and the beautiful ring ceremony was used. The bride looked charming in a dress of white chiffon, trimmed with duchess lace, and she carried a bouquet of bride's roses and maiden hair ferns. After an elaborate wedding supper Mr. and Mrs. Freese left for a ten-day trip to New York and Washington, and on their return they will be at home at 195 Fifteenth street.

To Notify Towne.

MINNEAPOLIS, Minn., June 14.—P. Ringdal, temporary chairman of the Sioux Falls Populist convention was named a committee to notify Charles A. Towne of his nomination for vice president, among its members being E. Gerry Brown, Massachusetts; G. H. Shibley, New York, and J. W. McGabriel, Virginia. The committee will meet in Kansas City, July 4.

Hepburn Has No Opposition.

CRESTON, Iowa, June 14.—Congressman W. H. Hepburn was to-day re-nominated by acclamation by the Republican congressional convention of the eighth district. Resolutions were adopted endorsing Congressman Dilliver for vice president.

POSTMASTERS' SALARIES

In West Virginia Readjusted by the Department—State to be Reimbursed for Old Claims.

WASHINGTON, D. C., June 14.—In the readjustment of salaries of postmasters by the postoffice department, announcement of which was made to-day, those increased in West Virginia to take effect the beginning of the next fiscal year, were authorized as follows: Bluefield from \$2,100 to \$2,300; Charleston from \$1,700 to \$1,800; Fairmont from \$2,200 to \$2,300; Montgomery from \$1,100 to \$1,200; New Martinsville from \$1,400 to \$1,500; Roncoverte from \$1,200 to \$1,300; Spencer from \$1,000 to \$1,100; Buckhannon from \$1,600 to \$1,700; Clarksburg from \$2,200 to \$2,400; Huntington from \$2,500 to \$2,600; Morgantown from \$2,100 to \$2,300; Parkersburg from \$2,800 to \$2,900; Saint Mary's from \$1,200 to \$1,300; Wellsburg from \$1,600 to \$1,700; Charles Town from \$1,700 to \$1,800; Davis from \$1,700 to \$1,800; Mannington from \$1,700 to \$1,800; Moundsville from \$2,000 to \$2,300; Ravenswood from \$1,100 to \$1,200; Shepherdstown from \$1,100 to \$1,200; West Union from \$1,100 to \$1,200; New Cumberland was decreased from \$1,400 to \$1,300; Barnesville, Ohio, is increased to \$1,900; Belaire to \$2,200, and Martin's Ferry to \$1,900.

State to be Reimbursed.

Among the claims lately before Congress, but not included in what was known as the "Omnibus bill," is one for money due the state of West Virginia, the payment of which has been authorized by Congress. The total of this claim is \$2,019.67, but no money has been appropriated out of which it can be paid.

The bill authorizing payment is understood to have been passed at the first session of the Forty-ninth Congress and recited that the money was due on account of expenditures by the state for the United States in enrolling, equipping and paying militia forces to aid in suppressing the rebellion. The items are the amounts paid respectively to Major Ezra B. Morgan, Captain Daniel Gould, Lieut. Harvey Geyer and Lieut. L. Y. McAvoy, of the One Hundred and Thirty-third regiment of state militia. It is stated that the rank of these officers was properly given on the party roll, but they were paid as privates. Why this was done does not appear in the settlement of the accounts, the United States refunding only the amounts paid and the state subsequently made good the difference. The next session of Congress will doubtless cause the state to be reimbursed.

HOTEL ROBBERS

At Kansas City Will Receive the Attention of Chairman Jones.

KANSAS CITY, Mo., June 14.—Hon. James K. Jones, chairman of the national Democratic committee, arrived here to-day, to preside over the sub-committee meeting to-morrow. The committee will decide finally on arrangements for the national convention in July. Mr. Jones visited the convention hall in course of election, and talked with the local committee on arrangements. The principal theme discussed will be the charge that exorbitant rates are being asked by the hotel proprietors. National Committeeman Campau, of Michigan, also arrived, and together they visited the hall. Chairman Jones said:

"I will talk the hotel situation over with the sub-committee, and then issue a statement to the Associated Press, telling exactly how matters stand."

OPPOSED TO GOEBEL LAW.

Bryan Writes a Letter to Blackburn, Asking That It Be Repealed.

LOUISVILLE, Ky., June 14.—In a late extra edition of the Evening Post (anti-Goebel) declares that W. J. Bryan has written to Senator J. C. S. Blackburn advising that the Goebel election law be repealed. When asked about the matter Senator Blackburn said:

"I have received several letters from Mr. Bryan, but he has not outlined any specific line of procedure."

"Is it not likely that such steps will be taken in the Democratic convention?" was asked.

Senator Blackburn smiled and said: "That will come out later."

GAS EXPLOSION

Kills Eight and Injures Several. Cause Was Carelessness.

WINNIPEG, Man., June 14.—A dispatch from Canmore, Alberta, says: A terrible gas explosion occurred in Canmore coal mine yesterday afternoon, resulting in the instant death of eight men and the injury of several others. The cause of the explosion is supposed to have been the carelessness of one of the miners in opening his safety lamp in violation of the rules and in a portion of the mine where to do so was dangerous in the extreme. This miner is believed to be one of the unidentified victims.

Flaw in Taylor Indictment.

INDIANAPOLIS, Ind., June 14.—Attorney General W. L. Taylor, of Indiana, to-day announced that he had discovered a flaw in the indictment against W. S. Taylor, of Kentucky. The attorney general says the indictment names the Republican claimant of Kentucky as an accessory, but names no principal in the assassination of Goebel. This he holds to be an important error of which the Kentucky court of appeals must take cognizance.

To Reduce Price of Steel.

PITTSBURGH, Pa., June 14.—The beam pool, or combine of structural steel manufacturers, will meet in New York to-morrow, to reduce the price of steel to correspond with the decline in the cost of raw materials. The present price is two and one-fourth cents per pound, and it is proposed to cut it to two cents, or \$5 a ton.

INIQUITOUS GOEBEL LAW

Condemned by the Men Who Helped to Enact It—Kentucky Democrats Meet in State Convention.

LOUISVILLE, Ky., June 14.—Characterized by harmony in marked contrast with the feeling that prevailed here a year ago, when the Democrats of Kentucky met in Music Hall to select a nominee for governor, was to-day's convention, which met to select delegates from the state at large to the national convention at Kansas City.

The day session was uneventful, but the platform was adopted. It instructed for Bryan, and followed the usual condemnations of Democratic platforms adopted this year.

To Change Goebel Law.

Senator Blackburn, after reading the resolutions, addressed the convention on a proposal to modify the present election law, known as the Goebel law. He said the committee had been perfectly harmonious, and that it had agreed that modification of the law, which, he said, had been a failure, was necessary. This, he said, had been the opinion of Governor Goebel himself. The amendments recommended are such as will give the two leading parties equal representation on election boards, and the Democrats can insure a fair and honest count. The committee also favored an educational qualification for voting. These changes, Senator Blackburn said, had been decided to leave to the convention to nominate a governor, which will be held July 19, in Lexington.

Modifications of the Goebel election law, it is said, was advocated by Wm. J. Bryan, who had written Democratic leaders here, urging that they be made.

BLOODY ENGAGEMENT

Between the Columbian Government and Rebels.

WASHINGTON, June 14.—Dr. Cuervo Marquez, charge d'affaires of the Columbian legation, to-day received from Panama officials bulletins giving details of the recent bloody engagement between the government troops and the revolutionists. One of the bulletins is signed by the general in command of the government troops, and reads:

"I consider the revolution ended. The enemy's army, after the fight, numbered only 4,000 men, and I think they cannot secure reinforcements. They have exhausted all their supply of 1,200,000 cartridges. Their loss is 1,000 dead, including ten chiefs and many subordinate officers. They have 1,500 wounded. These figures are furnished me by the prisoners, some of them persons of importance."

Passenger Trains Collide.

ATLANTA, Ga., June 14.—A north-bound passenger train and an incoming accommodation train on the southern railway collided to-day, ten miles from Atlanta, and killed Reuben Mayfield, engineer, and William Davis, flagman. Eight trainmen were severely injured, but no passengers were hurt.

ANNUAL REUNION

Of Daughters of Confederacy Held at Residence of Ex-Senator Faulkner. Special Dispatch to the Intelligencer.

MARTINSBURG, W. Va., June 14.—The Daughters of the Confederacy of this city had their fifth annual reunion to-day on the Boydville lawn at the residence of Senator Carter J. Faulkner. The grounds were only trimmed with Confederate colors, red and white bunting and federal flags, and presented a holiday appearance. The Henry Kid Douglass Camp, Sons of Veterans, of Shepherdstown, and the Turner Ashby Camp, of Veterans and Sons of Veterans, of Winchester, were present.

During the afternoon a heavy rain fall prevented the completion of the elaborate programme that had been prepared. To-night the fete was concluded at the Central opera house, where "An Old Maid's Convention" and "A Box of Monkeys" were rendered by local talent.
